

To the PremiAir Events Team,

On behalf of all the Amazing Race Team, I want to say an enormous thank you for all your efforts, especially the incredible service shown in getting the generator to Hyde Park in record time.....not sure how you managed it, but I was certainly impressed!

The Amazing Race is a production that has a life of its own and it's great to know that we have a supplier such as PremiAir who can meet & surpass the sometimes ridiculous demands we throw at you.

Once again, many thanks and look forward to working with you again soon.

Kind regards,
Anne.
